Lead Auditor Course 2	R 7 059.21	R 8 050.00
Lead Auditor Course 3	R 7 059.21	R 8 050.00

- One annual surveillance audit will apply to course providers with two or less approved courses.
- Two annual surveillance audits will apply for course providers with three or more approved courses and will be at the discretion of SAATCA

Note:

- The above fees are based on the activities taking one day, and should additional time be required, for example for corrective action verification, this will be additional and for the account of the training course provider. These activities include;
 - Course presentation surveillance, which involves observance of class-room, student / trainer interaction and assessment activities.
 - Course Evaluations which include, auditing the documented management system applied to manage the administration / training / certification process and Audit/witness Course Presentation one day.
- Additional accommodation and traveling costs outside the Gauteng area will be for the account of the Training Course Provider and will be invoiced on acceptance of a written quote.
